

WAKE FOREST
UNIVERSITY

Survey Consent

ZSR Library wants to hear about your experience as a researcher at Wake Forest University. Our new Data Services Librarian is assessing how we support data and research needs. Your voluntary feedback will help shape our services for next year. Please reach out to Joddy Marchesoni, Data Services Librarian, with questions. You can reach them at marchej@wfu.edu or 336-758-5134.

Faculty position details

Your faculty body

Your faculty position

How long have you served as faculty at Wake Forest University?

- ☐ 0 - less than 2 years
- ☐ 2 - less than 5 years
- ☐ 5 - less than 10 years
- ☐ 10+ years

Software tools and research methods

What broad type of research do you conduct? (select all that apply)

- ☐ Empirical research (e.g., experiments, surveys, observational studies)
- ☐ Theoretical or conceptual research
- ☐ Qualitative research (e.g., interviews, case studies, ethnography)
- ☐ Quantitative research (e.g., statistical analysis, modeling)
- ☐ Humanities-based research (e.g., textual analysis, historical research)
- ☐ Computational or data-driven research
- ☐ Interdisciplinary research
- ☐ Evidence synthesis (e.g. systematic review, scoping review, meta-analysis)
- ☐ Creative or practice-based research (e.g., artistic, design-based, performance research)
- ☐ Applied or translational research
- ☐ Not sure/not listed (please explain)

Which digital tools/software do you use in your research?
(select all that apply)

Latex

Python

☐ Adobe products (InDesign, Illustrator, Photoshop, etc.)	☐	☐
☐ AI chatbots or assistants	☐ Mathematica	☐ Qualtrics
☐ ArcGIS	☐ Maple	☐ R
☐ Covidence	☐ MATLAB	☐ SAS
☐ Dropbox	☐ MaxQDA	☐ SPSS
☐ Github	☐ Microsoft Office	☐ Stata
☐ Google Suite (Google Sheets, Google Docs, etc)	☐ NVivo	☐ Zotero
☐ iCloud	☐ Open Science Foundation (OSF)	☐ Other (please list all)
☐ JMP		

What type of data do you collect? (select all that apply)

- ☐ Audio/video recordings
- ☐ Documents
- ☐ Geospatial
- ☐ Images
- ☐ Interviews

- ☐ Numeric and/or categorical
- ☐ Surveys
- ☐ Text
- ☐ Other (please describe)

What files do you create while conducting your research?
(select all that apply)

- ☐ Apps
- ☐ Audio
- ☐ Charts
- ☐ Code
- ☐ Databases
- ☐ Documents
- ☐ Images
- ☐ Spreadsheets
- ☐ Video
- ☐ Visualizations
- ☐ Other (please describe)

Data storage

Where do you store your research project files? (select all that apply)

- ☐ Amazon Web Services
- ☐ Box.net
- ☐ Dropbox
- ☐ iCloud
- ☐ GitHub
- ☐ Google Drive
- ☐ Microsoft 365
- ☐ OSF
- ☐ Personal laptop or desktop
- ☐ Personal server/network attached storage (NAS)
- ☐ Portable storage (removable drive)
- ☐ WFU laptop or desktop
- ☐ WFU server or cluster
- ☐ Other (please describe)

Have you ever submitted your data to a repository?

☐ Yes

☐ No

☐ Not sure (please explain)

To which repositories did you submit your data? (select all that apply)

☐ arXiv

☐ Dryad

☐ DataOne

☐ Dataverse

☐ Figshare

☐ ICPSR

☐ Open Science

☐ SSRN

☐ WakeSpace

☐ Other (please describe)

Research challenges and support

What concerns do you have about managing and preserving your digital research materials? (select all that apply)

- ☐ Backing up my digital files
- ☐ Ensuring long-term access to my original data
- ☐ Finding the right repository for depositing completed research materials
- ☐ Organizing my research data
- ☐ Providing online access to my datasets
- ☐ Providing online access to my publications
- ☐ Other (please describe)

Which elements of the research process do you find most challenging? (select all that apply)

- ☐ Locating library resources
- ☐ Locating digital resources in archives and special collections
- ☐ Locating print materials in archives and special collections
- ☐ Locating datasets
- ☐ Managing bibliographic citations
- ☐ Understanding copyright
- ☐ Understanding open access publishing

- ☐ IRB approval
- ☐ Identifying new digital scholarship tools
- ☐ Data management and storage
- ☐ Using software for data analysis
- ☐ Using digital tools for collaboration with other researchers
- ☐ Sharing my research impact
- ☐ Other (please describe)

Funding

The questions about funding are entirely optional and only to help us understand the overall research needs on campus. There is no pressure, and we fully respect if you choose not to respond.

What types of research funding have you received?
(Select all that apply.)

- ☐ Federal grants
- ☐ WFU funding

- ☐ Private grants, including foundations
- ☐ Self-funded
- ☐ Other funding sources (please describe)

- ☐ N/A (I have not received any research funding)

Do any of your current funders require a Data Management and Sharing Plan (DMSP)?

- ☐ Yes
- ☐ No
- ☐ Not sure (please explain)

(Optional) What are the name(s) of the research funding agency(ies)? Please respond only if you feel comfortable sharing.

Which resources have you used to complete your DMSP?
(select all that apply)

- ☐ Guidance from the grant funding agency
- ☐ Data management planning websites or tutorial
- ☐ WFU Office of Research and Sponsored Programs
- ☐ ZSR Library
- ☐ Other (please describe)
- ☐ N/A (I have not created a DMSP)

Library services for faculty

Which ZSR library services have you used to support your research? (select all that apply)

- ☐ Workshops
- ☐ Digital scholarship consults
- ☐ Copyright consults
- ☐ Data consults
- ☐ Digitization lab services
- ☐ Research librarian consultations
- ☐ Book/materials purchase request

- ☐ Special Collections and Archives reference materials
- ☐ Interlibrary loan
- ☐ WakeSpace digital repository
- ☐ Using meeting/group study spaces
- ☐ Other (please describe)

Please share any new developments in your discipline that the library could provide support for.

Which workshops would you be most likely to attend?
(select all that apply)

- ☐ Copyright
- ☐ Open access
- ☐ Conducting archival research
- ☐ Using primary sources in the classroom
- ☐ Information literacy in the classroom
- ☐ Data literacy in the classroom

- ☐ Website design
- ☐ Digital humanities
- ☐ Data management
- ☐ Data analysis
- ☐ GIS/mapping tools
- ☐ Data visualization
- ☐ Other (please describe)

Would you prefer in-person or virtual workshops?

- ☐ In-person
- ☐ Virtual
- ☐ Both in-person and virtual

What is your ideal timing for workshops? (select all that apply)

- ☐ Before mid-semester break
- ☐ After mid-semester break
- ☐ Please avoid first and last two weeks of the semester
- ☐ Summer

☐ Any time

☐ Other (please describe)

At which point during the day are you most likely to attend a library workshop? (select all that apply)

☐ Morning

☐ Lunch hour

☐ Early afternoon

☐ Late afternoon

☐ Any time

What, if anything, has prevented you from attending library workshops in the past?

Final comments

Do you have any additional comments about ZSR Library's research support services?

Followup interview

(Optional) Would you be interested in volunteering for an optional followup meeting to share more about how the library could help you with your research? Please share your name and email if you're interested and we may reach out to you later.
